April 23, 2023

To: Property owners in the Town of Liberty

The Town of Liberty is in the planning stages for consideration of amending the ordinance for routes to allow ATV's and UTV's to operate on the county roads within the township to the already approved township road ordinance.

As required by the Outagamie County ATV Ordinance, we are contacting all property owners adjacent to the proposed routes on the county highways that are being considered as potential routes. Outagamie County requires that the townships send out a mailing to all landowners on the affected routes and hold a public hearing for anyone to express support or concerns.

The New London ATV Club has contacted the township and has offered assistance with the county processes in getting these roads opened.

The county highway the town would like to request from the county as potential routes are:

- County Hwy M north from Hortonia town line (Wolf River) to Hwy 54 (460 AADT)

See attached map for further details.

The Town of Liberty will be hosting a public hearing to allow comments and gather feedback on the proposed routes.

Meeting date: 5/10/2023@ 5:30 pm
Liberty Town Hall
N3918 Hollow Road
New London, WI 54961

If you are unable to attend the public hearing, written comments can be sent via email to:
